# DC Diary—April

## Canteen is Open This Rally

Firstly, I would like to say thank you for all the wonderful support at our recent horse trials, the day was a huge success.

Kerryn Gooding has decided not to take up the appointment of DC for this coming season so we wish her well and please stop and thank her when you see her out and about as she has worked extremely hard for our club.

For those members that don't know me I would like to introduce myself. I started with the Mansfield pony club with Maddy almost 14 years

ago. I like most of the parents at pony club just had a child that loved horses so enrolled in pony club not knowing a thing about horses. As the time evolved and Maddy's love of horses never waivered I knew I was in for the long haul so had to learn to be involved in the club and yes I even had to learn to float a horse something I thought I could never do. When asked to help out at rallies I was always nervous thinking that I would mess something up but there was always a knowledgeable older head that helped me out

and offered advice or just showed me a simpler way of doing things, but as help was always light and the club always needed that extra hand you get to learn very quickly about the running of the club.

I have held the position as secretary for the club for the past 3 years something I have really enjoyed and now as DC I feel privileged and honored to help the club in this way. So please if you have any concerns or would like to see some changes in the club please come and talk to me.

## STAY SAFE AND HAPPY RIDING

This space is left for you, if you have any stories, photos maybe you have put your bridle on for the first time by yourself, I want to hear about it and share your story with rest of the club.

# Tatura Interschools

Mansfield was well represented at Tatura Interschools on the weekend with many placings to our girls. Our Secondary School Team placed 6th overall with our primary school team consisting of Annabelle Fox, Tess Storey, Molly Lines and Meg Reed placing 14th overall.

We have some amazing results with Sophie Fox winning both her dressage tests on Practise Makes Perfect aka Wally and a 3rd and 4th in the showjumping component. Sophie went on to win her age champion for the day.

Lauren Hutchinson came 5<sup>th</sup> in Dressage Test 4B and Dressage Test 4D 5<sup>th</sup> then went on to place 6th in the showjumping. On the Sunday she came 4<sup>th</sup> in Best Educated 3rd in Rider and 5th in Handler. I bet mouse had a smile at the end of the day.

Well done to all the girls, What a FANTASTIC EFFORT

**Lauren Hutchinson, Nicole Grey Sally Kirley and Sophie Fox at Tatura last weekend. The girls represented Mansfield Secondary College**
