

• **OUR GIRLS DID AWESOME .**

• The Flat Team comprising of Molly Hore, Tess Storey, Lauren Hutchinson and Sally Kirley along with their coach Nicole Grey have beaten Benalla to move forward in the competition to compete at state level at Bacchus Marsh later this month.

And well done to everyone that camped as I believe it was extremely cold.

• On a sadder note, we have one member that will not be rejoining us this year. Beth Collins has decided that she would like to stay a bit closer to home and join Mentone Pony Club. We wish you all the best Beth and will miss you heaps.

Good Luck to Our Flat team at State

DC Diary—June

FLAT TEAM MAKES IT TO STATE

How fast the month went and here we find ourselves at the June Rally.

With the colder weather well on its way we need to take particular care of our horses and tack. Nice warm rugs, sheltered paddocks/stables and make sure they have lots of food.

We should always clean our saddles and bridles after every time we ride, and a good oil down will stop the leather cracking.

Canteen will operate this rally again thanks to Anne but she is still on

the look out for assistance in this department, don't forget Anne has her own grandchildren riding and would like also to be part of their riding life, please see Anne should you want to assist.

If anyone is in need of grading please come and see me, remember that you need two rallies on the pony you wish to be graded on.

Our wonderful flat team will give a full dress demonstration just after lunch, so saddle your

horses and be ready to ride after that.

Our State Horse Trials girls did an awesome job with the slippery, wet conditions and some tricky jumps. Personal achievements were met on all levels.

Millie Ritchie competed with Annabell Fox last weekend at Wirlinga Pony Club Horse Trials, Millie once again winning on May in Grade 4, WELL DONE Millie what a legend.

Molly Chiller had some Fabulous results at Whittelea on the weekend as well .

STAY SAFE AND HAPPY RIDING

Good Luck to Nichola Payne and Kim Owen who are jet setting to the other side of the world London I believe and to Molly Lines and her family to America, I look forward to sharing some of your stories and photos in my next report. HAVE FUN

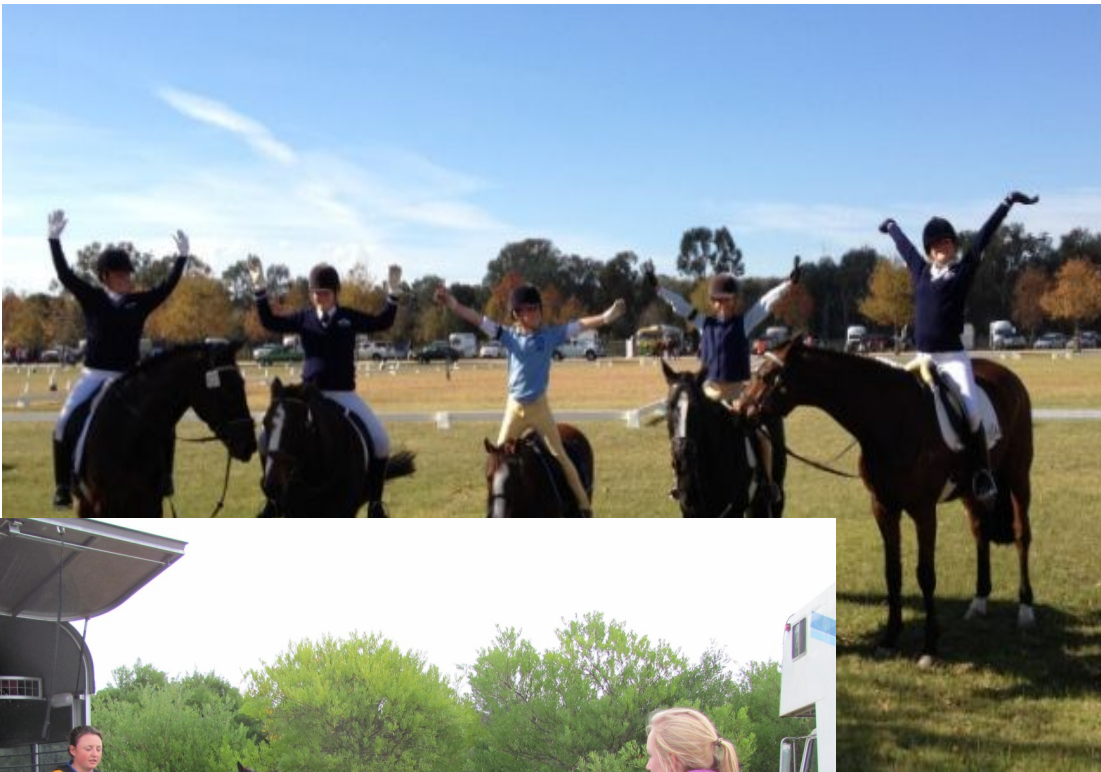

This space is left for you, if you have any stories, photos , I want to hear about it and share your story with rest of the club.

Albury Interschools

Millie Ritchie, Charlotte Wilson, Annabelle Fox and Sophie Fox and Maddy Kyritsis travelled to Albury on 19th May to compete in the interschools section representing Mansfield Schools. With a contingency of only 5 riders our girls come home with a 2nd placing with Albury being the winning school with a contingency of 25 riders.

We have some amazing results with Sophie Fox winning her age champion for the day and Millie winning well just about everything on her new horse Gizelle.

Well done to all the girls, What a FANTASTIC EFFORT
