## Last Rally:

Due to the extreme weather conditions on the Saturday before our September rally the decision was made to postpone it. As you can see from the photo it was a very wise decision indeed. As there were a number of members who needed a rally to compete it was then held on September 19. Pictures page 2.

# September Rally

Members and parents headed out on a trail ride from Parkseeds. It was a beautiful day and each group had a lovely ride. Thank you to the Parks for allowing us the use of their grounds.

There were also a number of our members who chose to ride at the final hunt as their rally and as you can see from the photo at the bottom of the page they really looked the part and had a great time. MPC is hoping that members will be able to attend another hunt next year as a rally again.

Anticlockwise from the top:  
David & Lauren Farrell with Jo and Jo; Lauren Lines starting off on the shorter ride with Molly, Molly, Verity and Jessica; Fiona Fox and Cameron Lachal (on two wheels) with April & Foley Lachal and Sophie & Annabelle Fox; Jacqui Edwards leads Nicki Krainz and Isabelle; Kerryn Gooding with Tess and Anna.

## Our Intrepid Hunters

Celeste, Donald, April and Ted with Kammy and Tom

## 2010 INTERSCHOOL NATIONALS

Maddy Kyritsis qualified for the 2010 Interschool Nationals which were held at the Sydney International Equestrian Centre last week. Maddy says the

Equestrian centre is a must see for all equestrian riders as it is truly a horse heaven with security guards on the gates after 6 pm. What a wonderful experience for Maddy and hopefully more MPC riders will follow in her footsteps.

### The Aussie Team—winners of the Showjumping Phase

## PCA TETRATHLON

An experience of a life time! What a great trip. Pony Club Australia Tetrathlon Competition in San Francisco USA. The competition consisted of four phases, a 3km cross country run (timed), a 200m swim (scored on times), and 20 pistol shots (scored on accuracy), and a showjumping/cross country/obstacle course. The equestrian event was certainly the highlight for our team. We all had to assess 15 horses the day before our jumping competition. We were not allowed to ride any of them. Names were put in a hat and horses were drawn for the teams, UK, Ireland, USA. Canada and Australia. Australia got Cleo a big

Clydie Cross, Kiwi a bay thoroughbred, and Diva a lovely black thoroughbred mare. My team mates Billie and Ally rode Cleo both getting clear rounds, Lauren rode Kiwi and I rode Diva. We all went clear with a perfect score. Our team won the Jumping section which we were all thrilled about. The course was approximately 1 metre high with 13 jumps and in the middle a slip rail fence and a gate. To make the course more challenging the US added a slip rail after jump 3. Here you have to jump off your horse, lead her through, put the rail back in the fence and get back on and complete the course. Then before

the last double there was a gate you had to open and close while mounted.. It was essential that the rider was able to stay calm and not panic so that the horse would settle and not jump about when getting on after the slip rail and staying calm close to the gate. It was lots of fun. Final scores placed me 13 individually and our team placed sixth. I did lots of training but it was certainly worth it and I highly recommend it to everyone . Have a go.

### PARADE:

Riders and organisers needed for the Melbourne Cup Weekend Parade. The best float will receive \$500 for their club.

**ZONE REP**

Catherine Farrell is our new North East Zone Representative.

Thank you to Lynn Stevens who has done such a wonderful job in the role for the past 3 years.

**CANTEEN**

Graeme and Heather Mansbridge have been our wonderful canteen stalwarts, it seems like forever, but it is now time to hang up their chef hats. We cannot thank them enough for their generosity. If you are interested in taking over this role please contact Anne Payne on 5775 2061.

**HELP NEEDED!**

We need families to help with the organising and running of the many events that Mansfield Pony Club puts on each year. Without your help it would just not be possible.

The expectation is that each family will attend two working bees and assist at the horse trials and one other event each year.

Would you please nominate by email to [traceykyritis@bigpond.com](mailto:traceykyritis@bigpond.com) which event you are able to help out at.

We also need volunteers to run the November Gymkhana (the Easter Gymkhana is not going to be held next year) so if you would like to have a go at this challenging but fun job please let Tracey know immediately.

## XC Course—New Jump Design

Mansfield Pony Club is going to build more cross country jumps and we want YOU to design them, yes that's right, YOU.

The Committee is running a competition to find the best new jumps and when we do they will be constructed. Imagine how proud you will feel if a jump you designed is part of our wonderful XC course.

So put your thinking caps on and send your designs to PO Box 636 or drop them in to Horsepower. Competition closes 31 October.
